✉ slgedik42@gmail.com ☎ +905076593736 📍 Yenimahalle, 06370 Ankara

## Profile

As a collaborative and innovative engineer, I thrive in team environments where I can contribute fresh ideas and solutions. With a positive and forward-thinking mindset, I am dedicated to leveraging technology for the betterment of people and society. Committed to continuous learning, I am eager to take on new challenges and contribute to future advancements in the field.

## Education

**Computer Engineering** Sep 2018 - Jun 2023  
Başkent University, Ankara  
(CGPA: 3.11 / 4.00 ) Honor Student

## Experiences

**Volunteer intern** Jan 2023 - Jul 2023  
Onedio.com, Ankara  
Following training in Vue.js and Nuxt.js, I played a role in the development of Onedio.com by actively participating in the company's projects

**Intern** Jul 2022 - Sep 2022  
Alcatel-Lucent(NOKIA), İstanbul  
I conducted data analysis on network devices, creating visual tables to represent them. To achieve this, I utilized both Perl and Python programming languages.

**Intern** Aug 2021 - Sep 2021  
Mitaş Industry, Ankara  
I designed an interface with using frontend technologies.
